"DENIES" AT THE DARDANELLES.

Many strange pets are to be found in both services, but none so quaint as "Denies," a pig pig on one of our warships engaged in the Dardanelles operations. The animal has been the popular property of the ship's captain for six months.

A Marine observation at work.

JACK GOES ASHORE IN THE DARDANELLES.
Two British sailors drawing water from a village pump whilst ashore during a lull in the naval operations in the Dardanelles.

Peddy, a pack donkey, is fond of his new master, but maintains a philosophic demeanor.
